Minutes of Meeting

1. The 50th meet of AoE (Regd) – Like always, It was a great meet. Learning & knowledge sharing in abundance!
2. Guest Speaker: We were privileged to have Dr. Amita Singh as our Guest Speaker. Most appropriately Dr Singh chose to speak about ‘How SMEs can prepare for National Disasters’. Giving examples of Hauz Khaas Village (described by many as a ticking timebomb) and the Chennai Floods of 2015 (a devastating flood), she described how these disasters(or potential disasters) hit the SMEs the most. They are the most vulnerable section as she described how more than 60% of SMEs effected by the Chennai Floods could not recover at all. It was a very impactful presentation and the message went home. Thank you madam for opening our eyes.
3. Internal Speaker: Mr Arjun Pandey was the internal speaker for the day. All of us are fully aware of Delhipedia by now. He described how the need to know about oneself inspired him to start Delhipedia. Any visitor to Delhipedia face book page will agree completely that he has succeeded immensely in his endeavour. The quoted figures make it the number one Community for any city in India (on social media). Delhipedia has something for everyone - be it the serious student of Delhi’s history or the seekers of good food or the shopping centres or the forthcoming events etc.etc. With the high quality visuals and the crisp accompanying commentary it brings Delhi to you like never before. It will not be very long that there will be a long line of advertisers and investors seeking to jump on to the Delhipedia band wagon. Best of luck ,Arjun.
4. New Member Inductions: Mr Abhijeet Roy. Welcome to the fold ,Abhijeet. We are confident you will add significantly to AoEs endeavours
